

UNLOCK LANGUAGE LEARNER SUCCESS WITH QUEST

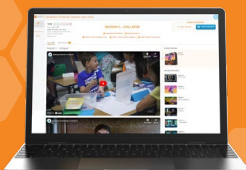

Build Social & Emotional Learning, higher-order thinking skills, and language development in your TK-8 English Learners

Designed to support language learners' development of SEL competencies and critical thinking skills in an engaging and fun way! QUEST's Spanish supports provide effective scaffolding for the diverse range of language learners in your summer school and OST program.

NEW SPANISH SUPPORTS

VISUAL WALK-THROUGH OF SPANISH SUPPORTS

1

Instructional Videos in Spanish

All key instructional videos are available in Spanish to help ELs students navigate and understand the program.

2

Support English Learner Engagement and Inclusion

All episode preview content in Spanish enables ELs students to follow along with the story.

3

Build the Home-School Connection

All QUEST home and guardian-facing materials are available in English and Spanish.

VISUAL WALK-THROUGH OF SPANISH SUPPORTS

4

Point-of-Use Student Visual Aids

All QUEST student materials include visual aids and images to identify game components, characters, and locations to support access.

5

Embedded Teacher Supports

Teaching strategies and scaffolds to help language learners be successful.

6

PreK-2 Supports

Starforce's bilingual Spanish character, Miguel, guides early and emergent ELs in TK-2 as they develop language skills and SEL competencies.

As a complete experiential social-emotional learning experience, QUEST caters to the holistic growth of students, enhancing their skills and capabilities to meet the demands of both life and the future.

QUEST combines the experience of a video game, the hands-on elements of board games, and the mental strategy of escape rooms, creating the ultimate summer school experience for your students.

In a world where adventure awaits, and teamwork always wins, QUEST is an all-access pass to fun learning where students **PLAY + CONNECT + CREATE** with peers in an immersive learning environment.

QUEST HELPS YOUR LANGUAGE LEARNERS:

- ✓ Increase cooperation and teamwork
- ✓ Strengthen a growth mindset
- ✓ Develop strong friendships
- ✓ Improve communication and language skills
- ✓ Build leadership and academic skills

DISTRICTS ACROSS THE COUNTRY CELEBRATE:

- ✓ Raised attendance rates
- ✓ Increased engagement
- ✓ Elevated critical thinking skills
- ✓ Increased team and self-awareness
- ✓ Improved problem-solving skills
- ✓ Skill transfer to the school day
